MOTION TO CONTINUE TELEPHONIC HEARING AND TO  
EXTEND THE TIME WITHIN WHICH THE UNITED STATES  
MAY RESPOND TO EXPARZA'S 2255 PETITION

At the present time, this Court has established a hearing for defendant to appear telephonically on November 13, 2007 with respect to his 2255 petition. The United States' response filing deadline currently is October 31, 2007.

The United States requests a continuance in both the response filing deadline and hearing date for the following reasons:

- (1) Undersigned government counsel has continuously since summer 2007 been involved in two separate, long term drug

trafficking investigations, one involving large-scale marijuana cultivation on the Island of Kauai and the other involving three court-order wiretaps of suspected methamphetamine traffickers on Kauai and in the Sacramento, CA, area. This has resulted in Federal indictments recently being returned in four separate criminal cases (the last one being on October 17, 2007), with a total of 23 defendants being charged.<sup>1</sup> I remain government counsel of record in all of these cases.

(2) In addition, I have an appellate brief due in the Ninth Circuit case of USA v. Pajardo on November 2, 2007.

(3) I believe that I could respond to defendant's 2255 petition by November 23, 2007 and the hearing thereon scheduled sometime thereafter.

For the foregoing reasons, I believe that there is good cause to grant the instant motion.

DATED: Honolulu, Hawaii, October 19, 2007.
